Dear Mr. Director:

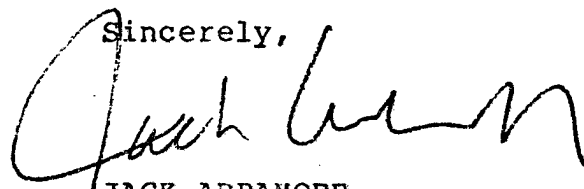

The United Students of America Foundation, a non-profit, non-partisan organization, produces a radio show entitled "Fallout". The program is aired on college campuses across the country and is thirty minutes long. The average listening audience is 3 to 5 million.

"Fallout" features student leaders in the areas of government/politics, journalism, communications, and other fields, discussing issues with prominent national figures, such as yourself.

"Fallout" is dedicated to providing the students with insight and information that is needed to fully understand the multitude of complex issues facing them today.

The USA Foundation would like for you to participate by being a guest on the show. The taping can be done at your convenience at our Capitol Hill office or in your office. The Producer of "Fallout", Adam Kidan, will contact you within the next few days to make the necessary arrangements. If you have any questions please feel free to call us at 202-543-8781.

Sincerely,

JACK ABRAMOFF
Executive Producer
